

Dear Readers,

It has been over two years since we restarted The Newsletter from the school. In the issues we have brought to you in these two years, we have tried to give you a peek into the life at The School through events, stories, interviews and reports. As a refreshing departure from the earlier format of the newsletter, this issue comes to you in the form of a photo album; we decided to let the pictures speak. We welcome you to **“The Photo-Letter”** of the academic year 2015-16.

Drama Fest 2015

Junior School Sports Day

Middle School Project Day
