# NEWSLETTER

**From the Editors** - We bring to you this quick edition before we embark on the first newsletter for the new academic year. This edition has snapshots of various events that happened in the school in the last two months of the academic year 2022-2023

2022-2023

## Kolam art for Long Assembly

An assembly where everyone worked with chalk and powder to create patterns and designs

# Plucking Mangoes and Harvesting Greens

Students across school got together to collect the produce grown in school

# An Evening Concert

This was an evening of vocal music across different genres - folk, classical and mystic and in very many different languages including Prakrit by a parent of the school Monali Balasubramaniam

# School Trips

School trips over these two months gave students an opportunity to engage with exploring science, working on land and appreciating the nuances of history.
